

April 30, 1975

PRESIDENT: Senator Maresh.

SENATOR MARESH: Mr. President, I move that the bill be bracketed on Select File indefinitely because I am sure it isn't ready to move. There is a lot of work to be done on these amendments. I ask for unanimous consent.

PRESIDENT: There is a request for unanimous consent to bracket LB 74. Is there an objection? Seeing none, it is so ordered. The Clerk has got some bills to introduce.

CLERK: Mr. President, I move for the introduction of the attached bill. Request #849. Signed by Senator Marvel. It is a bill making appropriations for certain state agencies. Senator Marvel, it is request #849.

PRESIDENT: The Chair recognizes Senator Marvel.

SENATOR MARVEL: You have before you, Mr. President, members of the Legislature, three of these budget bills. This is the first one and this one has to do with the Departments that are lumped together into a Natural Resources Division. You have got a sheet on your desk that includes these Departments and the amount involved. So, the first motion, I think, Mr. Clerk, is to get permission to introduce the bill and then I think the second motion is to put it at the head of General File. Is that right?

CLERK: After we get them...we ought to introduce all three of them.

SENATOR MARVEL: Do you want all three of them in one motion?

CLERK: No, but before you try to put them on General File?

SENATOR MARVEL: Oh, all right. Ok. So I move that Request #849 be introduced.

PRESIDENT: The question is, the granting of Request #849 for the purpose of introducing a bill. Record your vote. Record.

CLERK: Whoops, you need 30 votes.

PRESIDENT: Oh, excuse me, I am sorry. Would you vote, please. Record.

CLERK: 31 ayes, Mr. President.

PRESIDENT: The request is granted and the bill shall be introduced. Senator Marvel.

CLERK: I move for the introduction of the attached bill. Request #847. Signed by Senator Marvel. It is a bill for an act making appropriations for certain agencies. The bill is signed by all members of the Appropriations Committee.

SENATOR MARVEL: OK. This has to do with General Government, and I renew the motion to get permission to introduce the bill.
